

# Baby Sleeping

Words and Music by Niki Davies

- 1     Baby sleeping, sleeping safe and warm.  
      Baby sleeping, sleeping till the dawn.  
      And all of us gather round,  
      To feel the love you bring here tonight.
  
- 2     Quiet and cosy, such a peaceful night.  
      Quiet and cosy, such a precious sight.  
      And all of us gather round,  
      To feel the love you bring here tonight.

Repeat verse 1
