Dear Parents and Carers

I am delighted to inform you that the final Ofsted inspection report from our two-day ungraded inspection on 20 March 2024 to 21 March 2024 accompanies this covering letter. The report will also be accessible via the school website today.

The purpose of an ungraded inspection does not change a school's current grading, but confirms we are still a good school delivering an extremely effective education to all the pupils.

It gives me great pleasure to share that His Majesty's Leading Inspector concluded that we remain a GOOD school.

The report itself is detailed and highlights the many elements of effective provision at Maltese Road as well as the next steps needed to take the school forward. What is very satisfying is that the next steps identified were already within our development plan prior to this inspection and the associated adaptations are being implemented.

The inspection report evidences that our school is not only good, but one that continuously strives to improve.

To summarise:

This is an excellent report, particularly at a time when the benchmark for 'Good' is at the highest level it has ever been and we have been acknowledged for the good provision we provide for our children and their families. The Ofsted inspection was very thorough, robust and professionally rigorous. The leadership team and I were open and transparent around all aspects of school life and had much evidence to support the inspection process.

I would like to thank the parents/carers who have supported the school during this time. Once again, may I thank all those involved in the inspection itself, especially the staff, The Eveleigh Link Academy Trust and the CEO (Mr Joe Figg), Governors and the children who shone during the inspection process and continue to make a positive contribution to school life.

Yours sincerely

Mrs Faye White
