Maltese Road Primary Curriculum  
**INTENT**

At Maltese Road, we place great importance on a curriculum which develops the whole child. Through our school values, we foster an environment where the emotional, physical, academic, social, moral, spiritual and cultural development of each child is considered. Our curriculum is mapped to include coverage of the National Curriculum and provides a range of experiences for our pupils through an enhanced curriculum. Our curriculum is designed to challenge, engage and motivate with the ultimate goal that our learners progress academically and become successful, confident and creative individuals, who make a positive contribution to the community and society - both now and in the future.

Maltese Road Primary Curriculum  
**IMPLEMENTATION**

#### National Curriculum

Planning is creative and meets the requirements of the National Curriculum. Pupils contribute to the overall design of the curriculum through pupil voice.

#### Sensational Starters

Pupils will be immersed in learning through a first-hand experience of our topic. Learning takes on a new life of meaning. Children are asked to observe, identify, create, build knowledge and talk about the event.

#### Enhanced Curriculum

Carefully planned visits, activities, community links, skill workshops, life experiences enhance the learning of our pupils and develop their understanding of how they can contribute to the community and society.

#### Growth Mindset/ Learning Behaviours

Effort and inner drive are rewarded. Children are encouraged to reflect upon their learning and take responsibility for their achievement. Reflection time helps them to understand how to become a more successful learner.

#### Fabulous Finale

Children present their outcomes through a range of media. They reflect upon their success and developments. They make future decisions based upon their current practice.

Maltese Road Primary Curriculum  
**IMPACT**

Pupils leave Maltese Road Primary School with a secure understanding of the academic content; with the understanding of how to be socially, morally, spiritually and culturally responsible and aware; how to make positive contributions to the local community and how to endeavor to be the best that they can be. We aim for all of our children to leave Maltese Road respectful, skillful, and ambitious with a desire for life and all it has to offer.
