

## Writing task

Today I would like you to write about something special you did on your Christmas break.

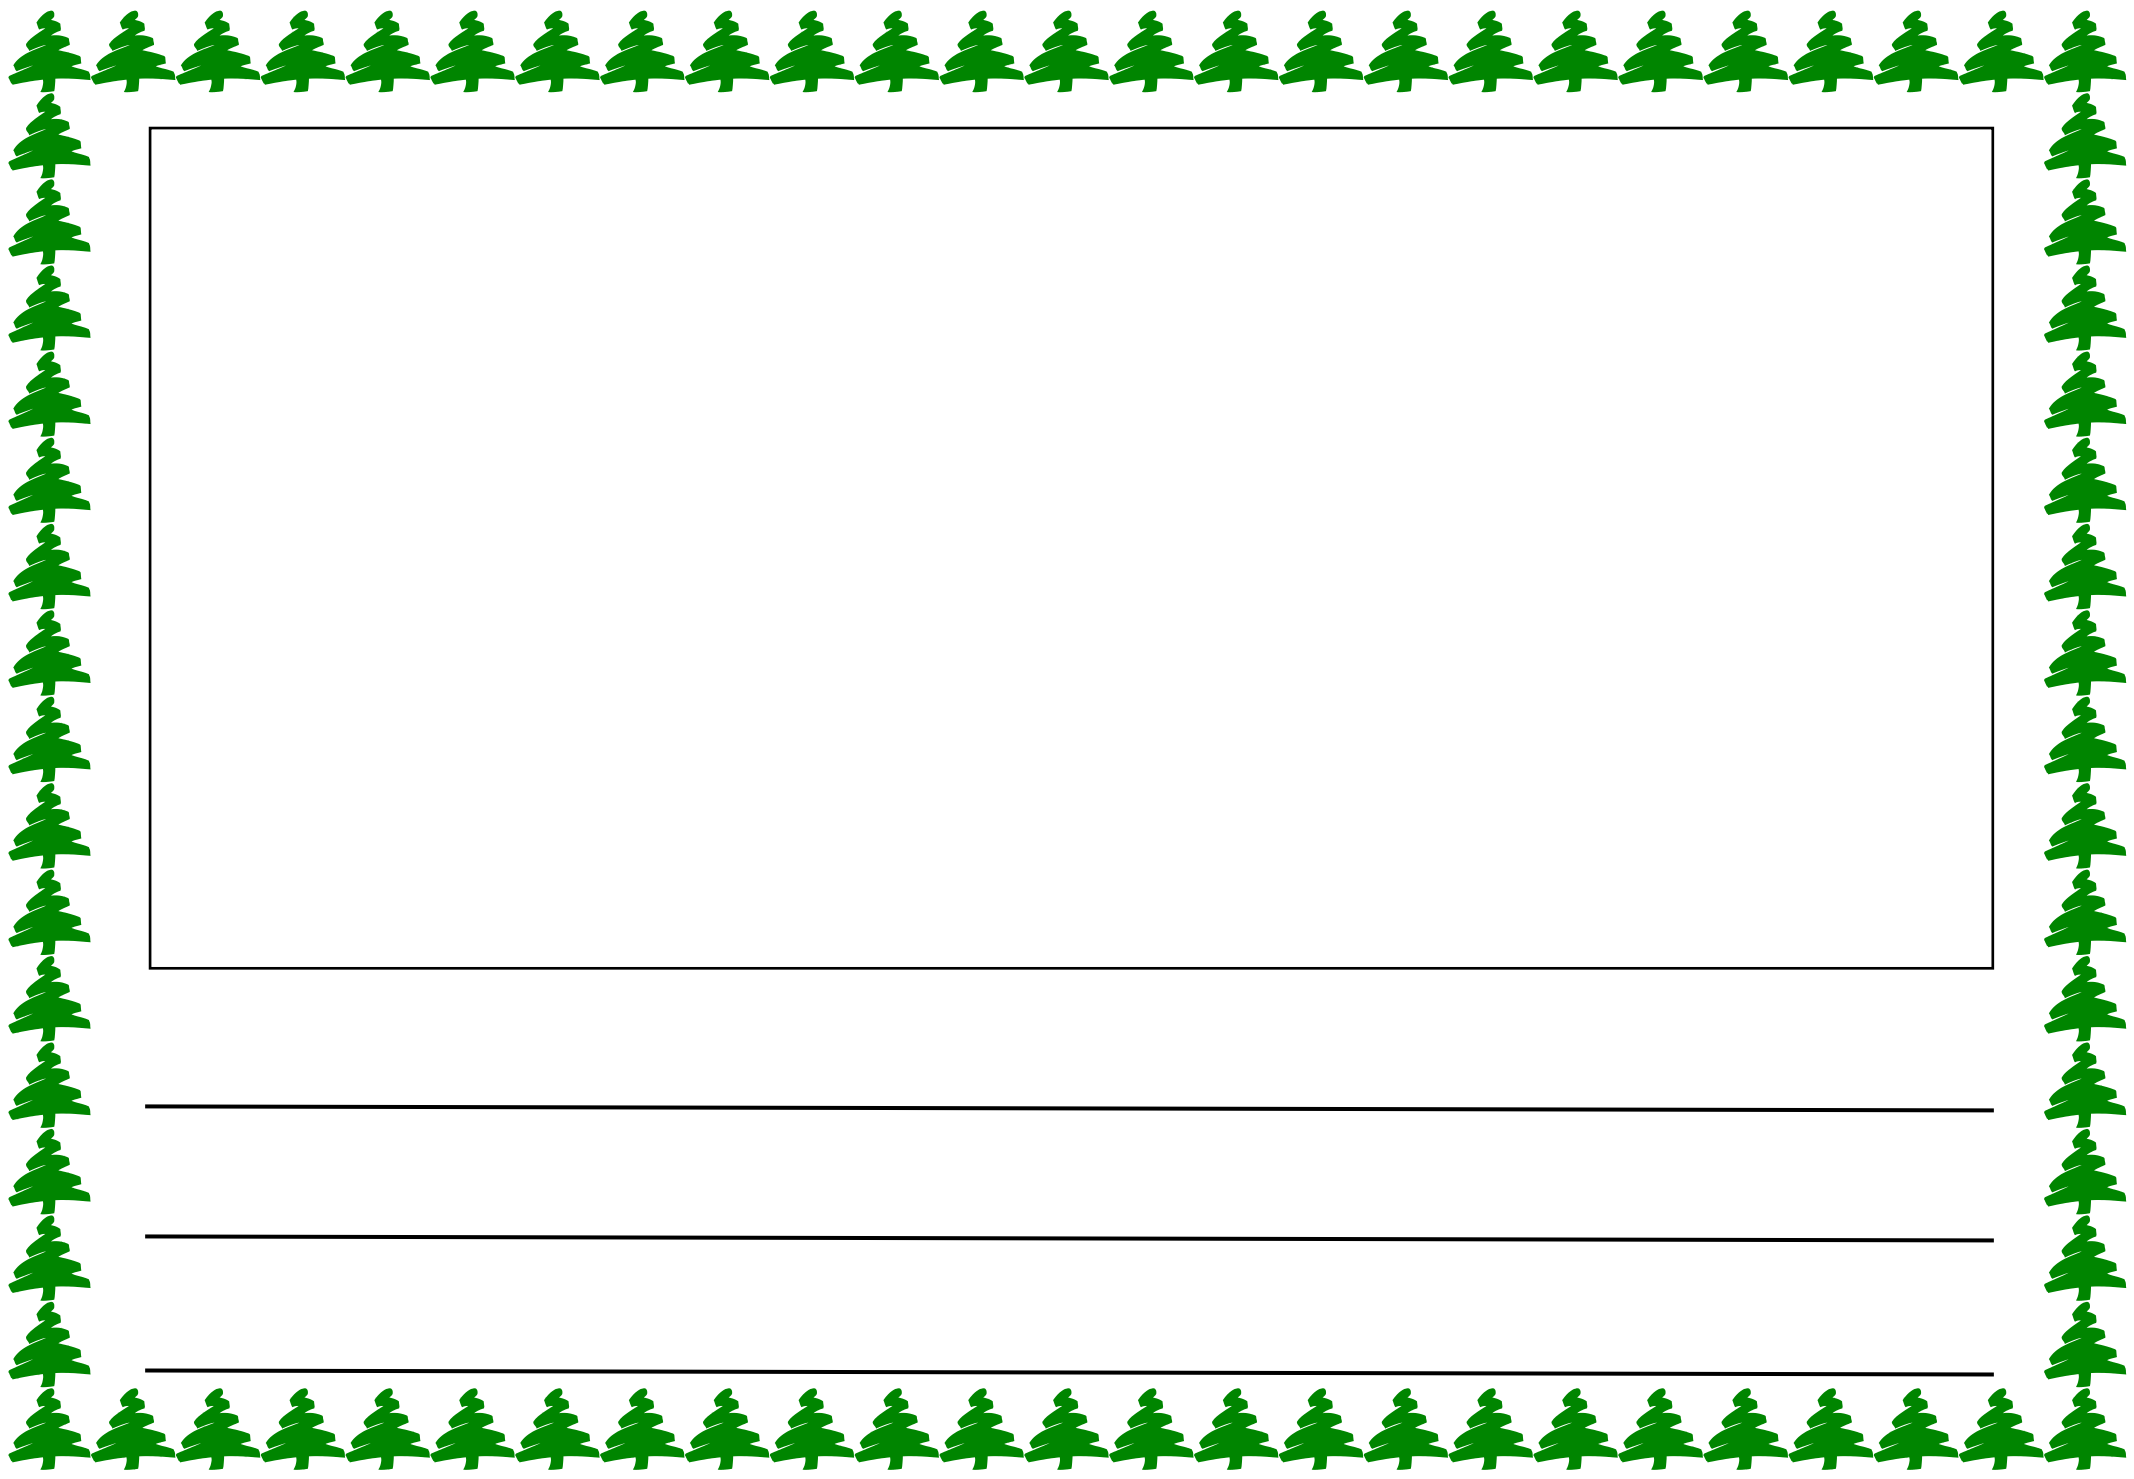

In Reception we are working on using our phonics to segment and blend words to help us write. Your child may only be able to write initial sounds of words or they may be able to write a simple sentence. Please work at the pace of your child.

Example sentence:

I went to the park.

You may draw a picture to go alongside your writing 😊

You may print and use the template below or you can write on paper you have at home already. I have also included a page of resources to help 😊
