

Monday 8th February 2021

- This week we are going to write our own fairy tale stories. Today I would like you to start by writing your plan.
- (Read fairy tale story as a whole group via our Monday morning zoom 8:35am)

Today I would like you to plan your own fairy tale story.

First I would like you to think about:

- characters
- setting (where your story will take place)
 - problem (what will go wrong)
 - solution (who will save the day)
