

Year 4 Autumn 2 Homework
Triangle Group

Writing Bingo

On the grid below, you will find six different writing challenges to do. Complete one challenge a week on the writing frames provided. When you have completed the activity, please put a cross through it.

We will continue to learn spellings at school and will use these during dictated sentences throughout the week. You will find the spelling rules we will cover this term on the back of this sheet. *Spelling Frame* will still be available for the children to log onto and find the spelling rule to practise.

<p>Diary</p> <p>Write a diary entry about your half term. You could take it day by day or just choose one day to focus on.</p>	<p>Letter</p> <p>Write a letter to a Viking, telling them about yourself and asking them any questions you would like to know about their life.</p>	<p>Design a Viking God</p> <p>Read through the Viking Gods information and then design your own on the sheet provided.</p>
<p>Newspaper</p> <p>Write a newspaper report about a Viking Raid. Remember to include a headline, introduction (who, what, where, when) paragraphs and a quote.</p>	<p>Viking Saga</p> <p>Write a mini Viking saga – see the information sheet provided for ideas and for a writing frame. See if you can stick to 50 words only!</p>	<p>Book Review</p> <p>Complete a book review about a book you have recently read using the sheet provided. Keep it neat, as we will use these in class in our reading area!</p>
