Ancient Greek Alphabet Activity

Look at these names of gods, goddesses and other characters from Greek myths. They have been written using the letters of the Greek alphabet.

Use the information in the 'Ancient Greek Alphabet' table to help you pronounce each letter and to sound out the words. They may sound a little bit different from how we say them in English.

Then, write the name of the ancient Greek character in English. There are the names of some characters from Greek myths at the bottom of the page to help you.

Beware: there are more names than you need!

Top Tip

Although some of the names may begin with 'h' in English, this 'h' is silent in Greek and so there would be no letter for it in the Greek word.
