

# Star Song

## **Solo**

- 1 I'm shining as brightly as I can,  
As bright as bright can be.  
I'm shining as brightly as I can,  
So the three wise men can follow me...

## **All**

**CHORUS** *To the stable, to the stable,  
To see Jesus the newborn King.  
To the stable, to the stable,  
So that they can worship Him.*

## **Solo**

- 2 I'm twinkling as brightly as I can,  
As bright as bright can be.  
I'm twinkling as brightly as I can,  
So the three wise men can follow me...

**CHORUS** x 2
