

# Wise Men Are We

Wise men are we,  
One, two, three,  
Armed with our maps  
And an ancient prophecy.  
Travelling far,  
Following a star,  
But which way now  
We just can't agree!

**CHORUS** *Is it left? Is it right?  
Is it up or down or to the side?  
Is it left? Is it right?  
We must get there tonight!*

*Repeat verse*
