

# What A Commotion!

## **Group 1** (*Townspeople*)

- 1 Lots of people here today,  
Pushing, shoving, in my way,  
Lots of people here today  
And nowhere to stay.  
Lots of people here today,  
Pushing, shoving, in my way,  
What a commotion, what a to-do,  
No one thought this through!  
What a commotion, what a to-do,  
No one thought this through!

## **Group 2** (*Roman soldiers*)

- 2 Order! Order! Form a queue.  
Caesar's told us what to do.  
Order! Order! Wait your turn.  
We must be tough, we must be firm.
